

NATIONAL HISTORIC CHEESEMAKING CENTER

2108 6th Avenue – Monroe WI 53566

“PAVE THE WAY” MEMORY WALK

“Pave the Way” Memory Walk is a continuous fundraiser for the National Historic Cheesemaking Center. Engraved bricks create a walkway from the parking lot to the entrance of the National Historic Cheesemaking Center and Green County Welcome Center.

Two sections have been created. The main walk is for friends and supporters of the Center and its partners. The triangular section beneath the front window is reserved for individuals who have or have had an affiliation with the cheese making industry.

The National Historic Cheesemaking Center serves as a shrine to the dairy and cheese industries preserving the history of “...an era that was, that will never be again.” In addition to the historic preservation efforts, this organization manages the county-wide Welcome Center, where guests are welcomed to the area and provided with regional tourism information. The Center also serves as the trailhead for the Badger State Trail.

The officers, members, and volunteers of the National Historic Cheesemaking Center and the Green County Welcome Center thank you for your support.
